

# John Septimus Roe Anglican Community School

A school of the Anglican Schools Commission Inc  
ABN 56 676 652 018

12 March 2020

Dear Parents and Guardians

Further to my letter dated 3 March 2020, in which I informed parents that all school-related international travel (Groups and Individuals) were not to proceed until further notice, I wish to confirm the cancellation of both the Bali Trip and the Barcelona and Spain Trip which were scheduled to occur in April.

The risk associated with international travel has increased since my letter of 3 March 2020; therefore, the School has made this decision in the best interests of all students and its staff. Over the past nine days, the School has been in negotiation with the relevant travel agents and has not reached a satisfactory agreement with the postponing of either trip.

Now that the decision has been made to cancel both trips, the School will forward insurance claims through the School's Insurer as one single claim for each trip on behalf of the families. Each claim will then be assessed and, once determined, the School will be in contact with each family regarding their relevant insurance claim and any subsequent compensation.

While the School is disappointed for its staff, students and families, we trust that you understand the decision that has been required to be made and know that the health and safety of our students and staff was foremost on our minds in the making of this decision.

Yours sincerely

Jason Bartell
