Dear Parents and Guardians

Cancellation of the Family Fun Twilight Fair

Due to the updated advice from the Chief Medical Officer, received at 12.30pm this afternoon, I regret to inform all parents, students and friends of the JSRACS community that we have made the decision to cancel the 2020 Family Fun Twilight Fair. The health and safety of all members of our School and the whole community is our priority.

This decision has been made in response to the Council of Australian Governments (COAG) decision to recommend that non-essential gatherings of more than 500 people are not to proceed from Monday, 16 March 2020. The COAG decision was made on the advice of the Chief Medical Officer who reported Australia's first case of community transmission of the Coronavirus.

I trust that you understand and appreciate that the School is required to take this course of action, based on the updated COVID-19 advice. Thank you for your support and understanding with this difficult decision. I apologise for the inconvenience this may cause you and am most grateful for your support in a time of unprecedented rapid change.

Yours sincerely

Jason Bartell
