## 2020 / 2021 – President's Report

This last year has been a year to pause and reflect. That's how I'm choosing to frame it!

With a lot of P&F activity on pause we missed a number of usual events such as the quiz night and Twilight Fair and had to modify several others, including taking an innovative approach to Mother's Day by holding a virtual raffle which had to be redrawn several times because P&F Committee members kept on winning!

Our amazing committee once still hard at it though; shepherding people away from the orchid society's annual event in the Mirrabooka Gym to the multi-purpose hall for our annual swap meet was a fun and engaging Saturday morning.

Where we could put COVID safe effort in the committee went all in – highlights in this space was a massive effort from the team to put together a stress and study kit for our senior school cohort. Our talented and dedicated Publicist, Dee Faulkner, put in an absolute mammoth effort to produce a Year 6 graduation gift made up of recipes and photos from the Year 6's themselves into a beautiful, bound recipe book. It will be something the Yr 6's will treasure as a keep seek forever.

Continued partnership with the school management and staff helped us navigate the year through COVID. The committee extends it's thanks to Jason and his management team for their continued support. Carleen Edwards and the catering unit continued to be a big support for us during the year when COVID allowed.

With the new year brings a change out of long-term members of the P&F committee. I want to thank all of you leaving for your years of effort and dedication. This community would be poorer off if not for your community spirit.

The executive committee, Treasurer, Carolyn Rowcliffe, Secretary Heather Luck, and Publicist Dee Faulkner have been particularly supportive this last year and have continued to put in a massive behind the scenes effort. Thank you so much for being engaged and dedicated.

This AGM concludes my term as P&F President and member of the P&F committee. I have very much enjoyed my time in the P&F and extend a hearty welcome and best of luck to the new committee and President.

Many thanks, Paul Izzett

#### INDEPENDENT AUDITOR'S REPORT

To the members of John Septimus Roe Anglican Community School Parents and Friends Association ("the "Association").

#### SCOPE

We have audited the accompanying financial report of the Association, which comprises the statement of financial position, statement of comprehensive income, and a summary table of Receipts and Payments for the year ended 31 December 2020.

#### COMMITTEE'S RESPONSIBILTY FOR THE FINANCIAL REPORT

The Association's Committee are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and for such internal control as the Committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

#### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report whether due to fraud or error. In making those assessment, the auditor considers internal control relevant to the Associations preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

2 March 2021

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### INDEPENDENCE

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

#### OPINION

In our opinion, the financial report of the Association presents fairly, in all material respects, the Association's financial position as at 31 December 2020 in accordance with Australian Accounting Standards.

## JOHN SEPTIMUS ROE ANGLICAN COMMUNITY SCHOOL Parents and Friends Association (P&FA) Inc. Annual General Meeting Monday, 15 March 2021

## Principal's Annual Report

Throughout 2020, COVID-19 impacted every aspect of our lives. The social restrictions unavoidably enforced on all members of our community by both the State and Federal Governments, did not allow our School to engage 'in community' as we have in the past. The challenge throughout 2020 and more specifically for the Parents and Friends Association (P&FA) of the John Septimus Roe Anglican Community School (JSRACS), was to investigate a range of alternate options to regain and maintain connection and engagement with parents throughout these unique and difficult times.

Our P&FA were creative in their organisation and management of the events that occurred throughout 2020, and for that the School is most thankful. The virtual aspects of the Mothers' Day Breakfast and Grandparents' Day were examples of the P&A's thoughtful and considered management, working with the School to ensure that these events could take place in a different form, however, with the purpose of maintaining an engagement with our community.

With restrictions further relaxed in the second half of the 2020 year, the P&FA Committee were driven to working within the parameters of the existing restrictions and to engage the community in the events planned. The Primary School Discoes, held in the Michael Bromilow Centre at the School's Beechboro Campus, were highly successful events that signalled a reigniting of the School events and community engagement, albeit with parents limited in their ability to attend.

Further to the Primary School Discoes there were numerous events that were organised and supported by the P&FA in the second half of the academic year, including:

- The Year 6 Celebration Assembly (including the organising and supply of gifts)
- The Year 11 Goodies Bag
- The Santa Card Sort
- International Teachers' Day
- Uniform and Book Swap meet
- Carols by Candlelight

The events listed above, as well as other events not included in the above list, were a highlight of the 2020 School year. The work of the P&FA committee to ensure that these events were supported and enjoyed by many within the School Community, endeared a new and different appreciation of community engagement within our School community.

I would like to take this opportunity to thank the members of our P&FA Committee, who make the time to regularly attend the P&FA meetings and in doing so, provide me with feedback on a range of school-based issues and topics, as well as plan for events that continue to ensure the development of community throughout our School. I always enjoy the P&FA meetings and would like to acknowledge the Committee's development of community through their participation in the P&FA.

I would like to personally acknowledge all members of the P&FA Committee, as listed below, for their commitment to the organisation of the events that have occurred throughout 2020. I would

like to acknowledge the frustration and sadness that the cancelling of events caused the P&FA Committee throughout 2020. I would like to acknowledge and honour all members of the Committee for their tireless commitment to the development of community within our School throughout these times, in their roles as members of the P&FA Committee throughout 2020.

It has long been accepted that the primary purpose of the P&FA at JSRACS is to 'friendraise' through the creation of opportunities that encourage our community to come together. The past year has been a challenge in this regard, however, the absence of the ability to gather in community has highlighted the importance to do so. It is testament to the hard work and persistence of the P&FA Committee that creative opportunities for our School community to gather together 'in community' were investigated, planned and implemented throughout the past 12 months.

I would like to take this opportunity to personally acknowledge Mr Paul Izzett for his strong leadership and support of the P&FA Committee over the past two years. Paul has demonstrated a strong commitment to the School community in this role and has further developed the strong values and attributes that underpin the P&FA of JSRACS, values and attributes such as dependability, reliability, loyalty, commitment, open-mindedness, honesty, good humour, motivation, positivity, optimism, passion, respect, perseverance and service to others have all been further developed within the School's P&FA during Paul's leadership throughout 2019 and 2020.

The development of our community has been continually enhanced by those who choose to contribute in practical ways. I would like to encourage those who serve as active members of our P&FA to keep at it. Keep encouraging each other, keep striving for the inclusion of others and keep serving this community, because you are indeed making a difference.

**Every Blessing**
