PAYMENT

Before and After School Care / Vacation Care Invoices are issued fortnightly in arrears. Credit Card or bank account details for Direct Debit are required to be provided by all families using the Out of School Care Programme. The invoice will indicate the payment amount and the date the payment will be processed by the School (usually seven days from invoice date).

Vacation Care Programmes and booking forms will be distributed prior to each vacation period.

All programmes offer Child Care Subsidy (CCS) from the Australian Government Family Assistance Office to eligible families. Families must register with Centrelink to receive an Income Assessment Notice and a reduction in the cost of care.

In order to process any Child Care Subsidy to which you may be entitled, you must obtain a Customer Reference Number (CRN) from Centrelink for your child/children and a CRN for the person claiming the Child Care Subsidy.

The Child Care Subsidy cannot be applied to the fees UNTIL this information is received by the School.

A child will not be permitted to continue in the Out of School Care Programme if the fees are outstanding for more than seven days.

Legal action for recovery of outstanding fees is taken when fees remain overdue. Costs including commissions, fees and legal expenses are payable by the Parent or Guardian.
