

HOW TO USE YOUR NEW

JSR School App

Subscriptions

Key Features of Subscriptions

The subscriptions control which notices you will receive from the School. When you first download the App you will automatically be subscribed to all notices.

To access and define your subscriptions:

1. Tap/click on the **Settings** icon in the bottom right hand side of the App
2. Tap/click on **Subscriptions**
3. Select your **Tags**

Year levels - select the years that your child/children are currently in

Principal - we recommend selecting both urgent email and whole school news

Parent and Family - select P&F Association to receive news of P&F events and communications

Cocurricular - select which cocurricular activities your child is interested in to receive updates. You can also subscribe to receive information on holiday clinics and external after school activities

4. Uncheck any tags you do not wish to receive information about.

Please note:

- All families should be subscribed to the General Notices as these apply to all families within the School.
- You can change your subscriptions at any time based on your needs and interests.
