STATIONERY - ADDITIONAL REQUIREMENTS

Loose leaf paper and files – All students are strongly encouraged to make Cornell study notes as part on their ongoing revision and preparation for examinations, as per the study skills programme taught at JSRACS and recommended by Elevate Education. Loose leaf paper and a file for each examinable course are recommended for this approach to revision.

Whiteboard markers - Students will have 'Vertical Learning' incorporated into their lessons, where they actively work collaboratively at the whiteboards for part of the lesson. Courses in the faculties of English, HASS, RE, Languages, Mathematics and possibly other courses are timetabled into rooms equipped with collaborative learning whiteboards, and students are required to provide their own whiteboard markers. A small pack of approximately x4 whiteboard markers is recommended, and if this pack contains black plus at least one different colour, that would be ideal.
